# Localizzazione assoluta

Una scelta controcorrente  
nel segno dell'unicità.

## Absolute localization

A different choice to be unique.

L'Italia per noi non è solo un luogo di produzione ma va ben oltre: è il modo di pensare e di vivere che abbiamo abbracciato nel progettare, interpretare e innovare l'idea di arredamento fin dal 1987. Non solo Made in Italy quindi ma una perfetta sinergia tra maestria artigianale, creatività e tecnologia che rendono il nostro modo di lavorare il valore aggiunto in ogni nostra creazione.

Italy does not just define a place of production, but goes beyond: for us, it indicates a way of thinking and living, that we embraced in designing and innovating the idea of furniture since 1987. Not just Made in Italy, but a perfect synergy between hand - craft modeling, creativity and technology, that makes our working method the added value in each product.

## Arti e mestieri 3.0

L'artigianato industriale  
come elemento distintivo.

## Crafts & arts 3.0

Industrial craftsmanship  
as a distinctive element.

Se capacità industriale e tecnologie avanzate sono la nostra forza, la maestria nel fare è la nostra anima, ciò che davvero ci distingue. Il saper fare rappresenta il cuore della nostra azienda: grazie ad esso tutti i nostri progetti prendono vitalità e slancio, a partire da una vocazione artigiana che viene ininterrottamente coltivata e perfezionata.

If industrial capacity and advanced technology are our strength, the know-how skill is our soul, what really sets us apart. The know-how is the heart of our company: thanks to it all our projects take vitality and outburst, from a handcrafted vocation that is continuously cultivated and perfected.

## High quality solutions

La perfetta corrispondenza  
tra aspettativa e risultato.

## High quality solutions

The perfect match  
between expectation and result.

Nelle nostre collezioni ricerchiamo continuamente la trasversalità, la possibilità di una soluzione totale alle esigenze dello spazio pubblico e privato. Esploriamo tutte le declinazioni possibili per risolvere con coerenza il vostro progetto d'arredo. Ogni collezione Midj si trasforma grazie a materiali e colori innovativi e continuamente testati.

In our collections we constantly search versatility and the chance to find a complete solution both for public and private spaces. We look for all possible solutions to solve your furniture project. Each Midj's collection is shaped with brand new materials and colours, that are always tested.

# Soft design Midj

Un'esperienza di comfort  
che supera ogni immaginazione.

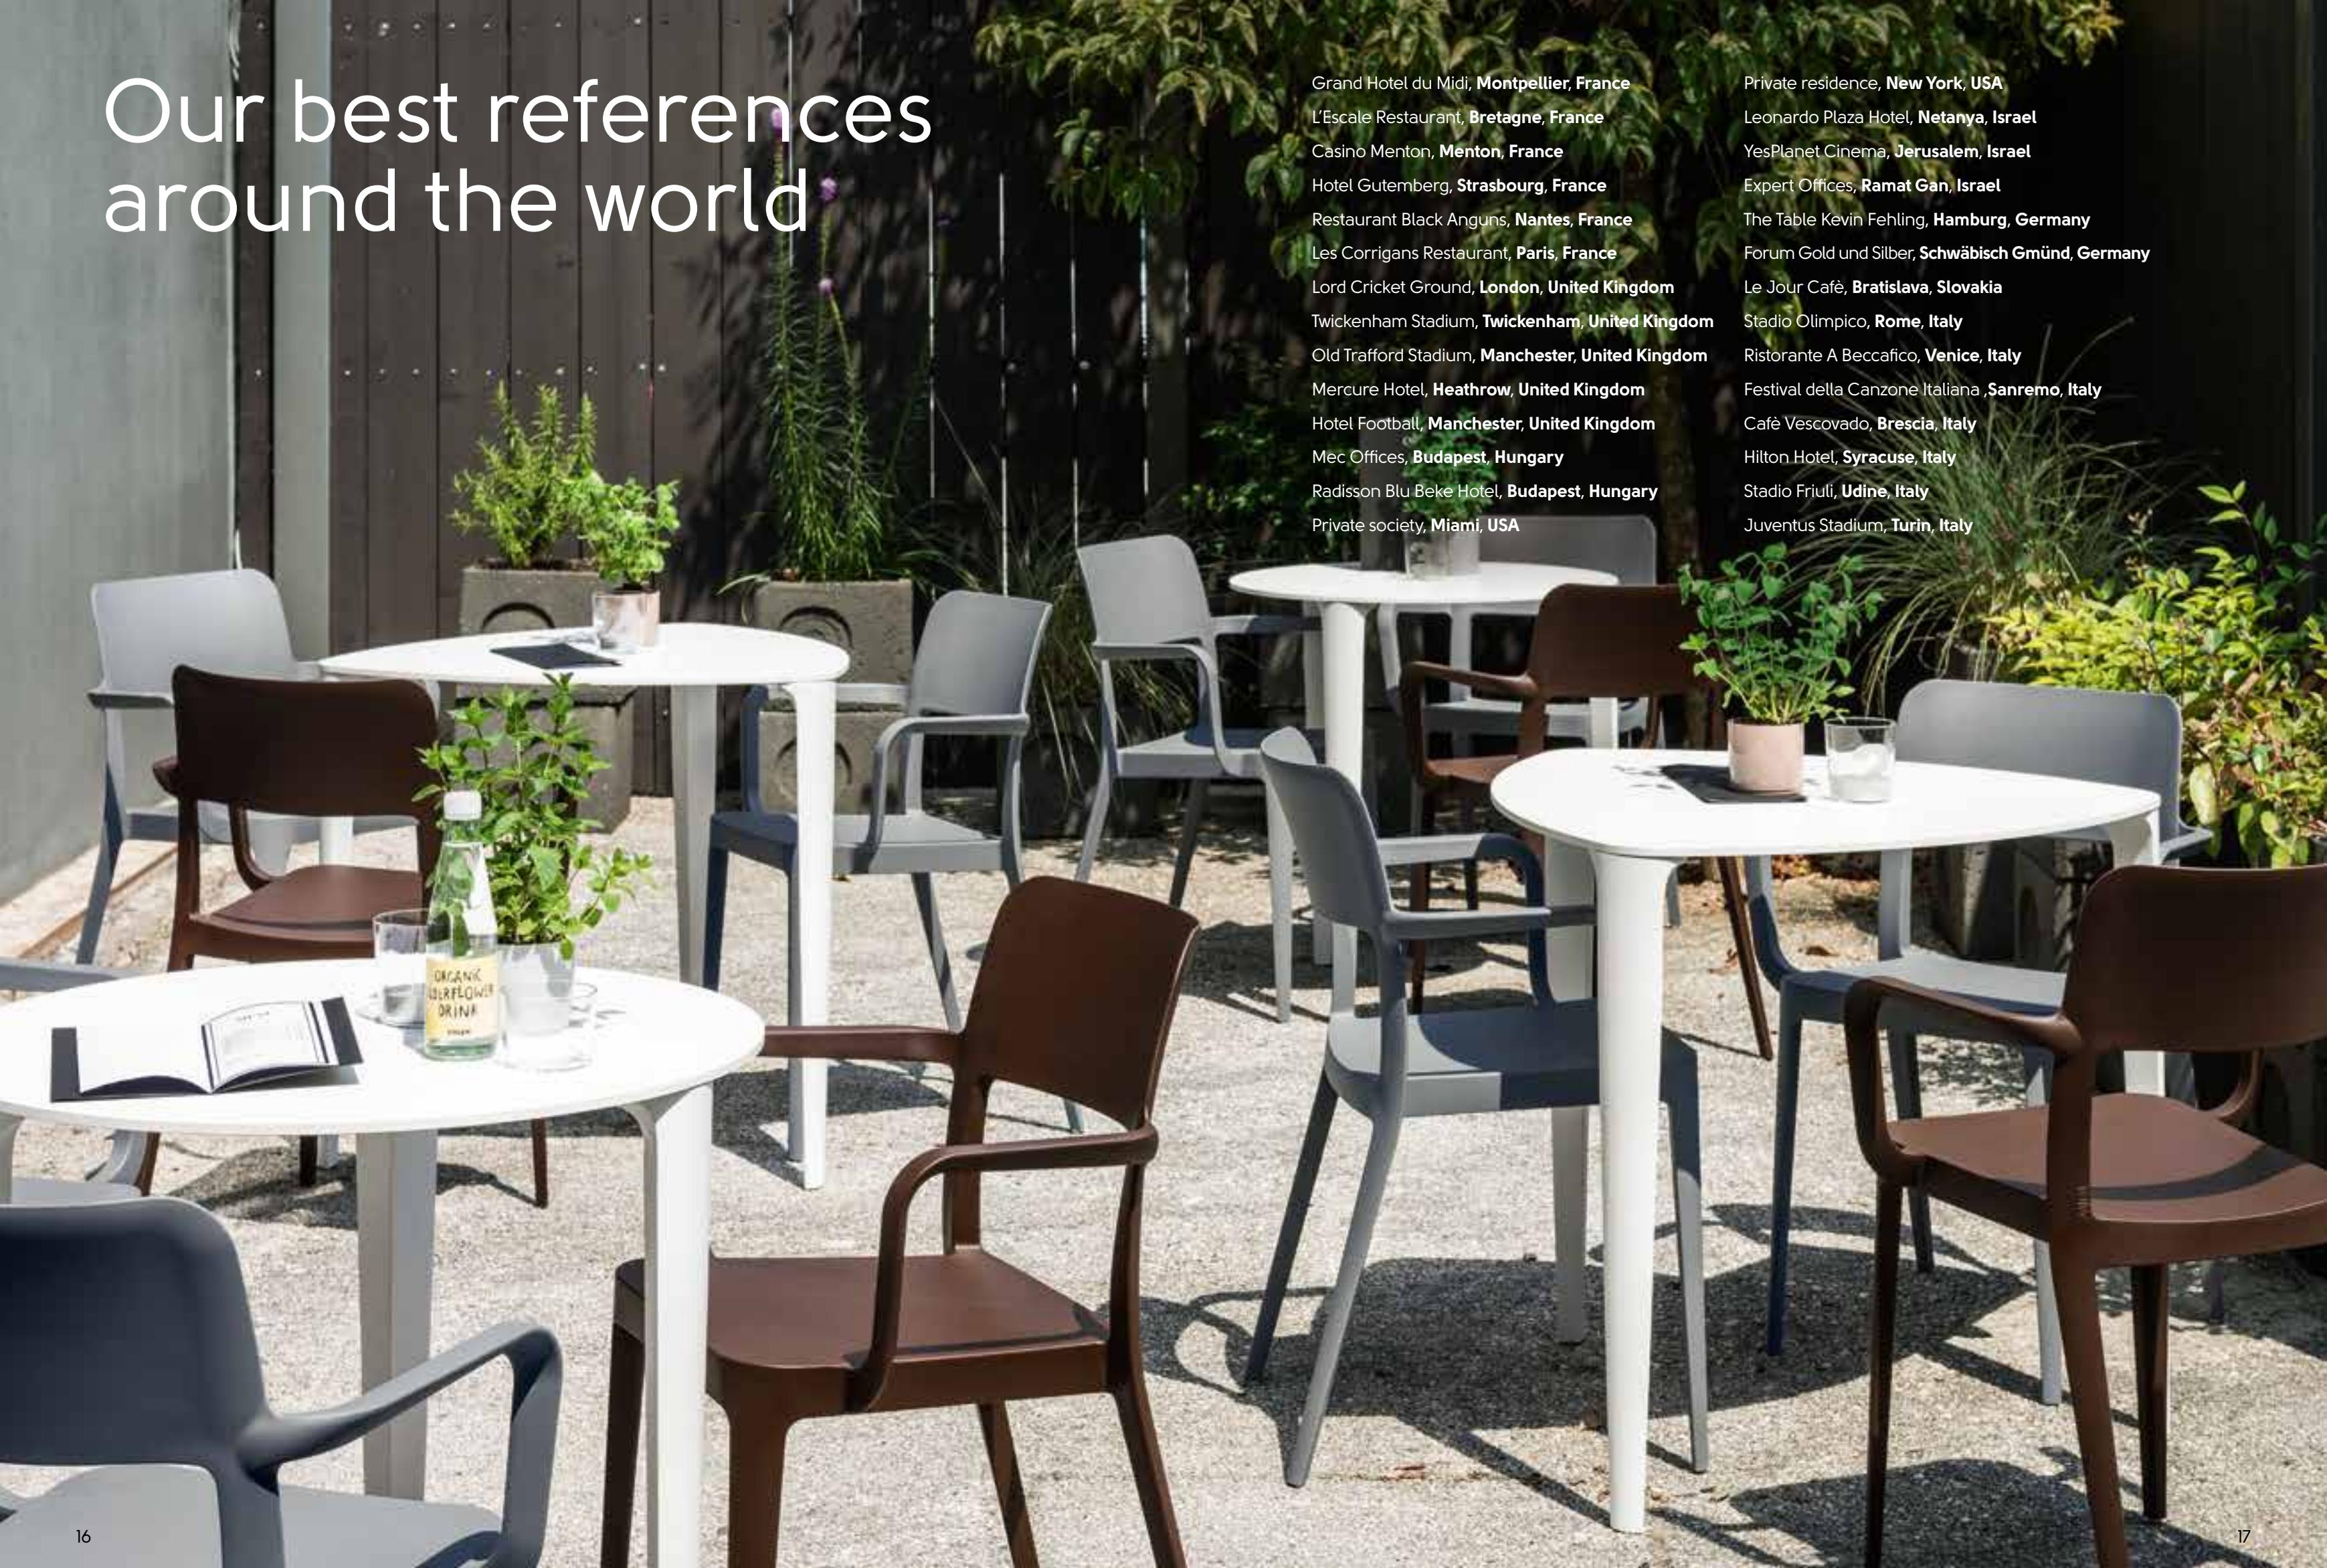

## Midj Soft Design

An experience of comfort  
that exceed all imagination.

Il dna della nostra produzione risiede anche nella fiducia nel futuro. Progettiamo per gente che ha voglia di vivere, che vuole costruire spazi veri, luminosi e pieni di gioia. Il nostro design accoglie con linee fluide, angoli smussati e imbottiture morbide pensate per attimi di felicità e comfort.

Our production's DNA also lies in the confidence in the future. We design for people who want to live, who wants to build real spaces, bright and full of joy. Our soft design accomodates with flowing lines, rounded corners and soft furnishing conceived for moments of happiness and comfort.
